Description of Incident:

Monday 9/12/05, I/M Nathan Henry reported to class, signed in, and immediately left. I saw that he had signed in, but he wasn't in class. I waited until the next day to talk to him. Yesterday (Tuesday 9/13) I asked him what happened. He said he had reported to class without his ID and that the correctional officer at the program center told him to go back (Lennie Whitman). He also told me he had let one of the tutors know that he was leaving. The tutor denies that he told him he was leaving. Regardless, he should not have signed in if he was not going to stay. I wasn't able to talk to the tutor until today (9/14/05).
